What Are Recovery Jeopardy Questions?

Recovery jeopardy questions are a set of thoughtfully designed prompts that challenge individuals to reflect on their experiences, choices, and progress within their recovery process. Borrowing the familiar format of the popular quiz game show Jeopardy!, where answers are posed as questions, these prompts are structured to encourage deep introspection and strategic thinking. Unlike traditional questions that seek direct answers, recovery jeopardy questions often frame issues via clues or themes, prompting individuals to articulate their understanding, motivations, and plans. For example, instead of

asking, "What is your biggest challenge?" a recovery jeopardy question might be, "This is the obstacle that has historically hindered your progress but can be overcome with the right support." The goal is to foster a mindset of problem-solving, accountability, and proactive planning.
