The roots of international Bible lesson commentaries can be traced back to the late 19th century, coinciding with the rise of Sunday school movements and missionary efforts. Early efforts focused on translating biblical texts into different languages and providing commentaries to aid teachers and students in understanding the Scriptures. The International Sunday School Lessons, established in the early 20th century by groups like the American Sunday School Union, sought to provide a uniform curriculum for churches worldwide. These lessons emphasized a chronological and thematic approach, often accompanied by commentaries to clarify complex passages.
