Background of Mayhem and the Norwegian Black Metal Scene

Mayhem, formed in Norway in the mid-1980s, is often credited as pioneers of the black metal genre. Their early works, characterized by raw sound and provocative imagery, laid the groundwork for the genre's aesthetic and thematic themes. The band's tumultuous history, marked by internal conflicts, church burnings, and tragic deaths, has contributed to the dark mythology surrounding their releases.

The Creation of the Cover Image

The cover of "Dawn of the Black Hearts" is based on a photograph of the band's original vocalist, Per Yngve Ohlin (known as Dead), who was a central figure in the band's early days. The image depicts Dead's corpse after his tragic suicide in 1991, lying in a morgue. The photograph was taken by his friend and fellow musician, Euronymous (Øystein Aarseth), who was also the guitarist of Mayhem. This image was initially intended as a personal memento or a stark memorial, but Euronymous later chose to use it as the cover art, believing it captured the raw, unfiltered essence of black metal's darkness. The photo's grisly nature challenged conventions and pushed boundaries of artistic expression, reflecting the extreme ethos of the genre.

The Story Behind the Image

Tragedy and Its Role in the Cover

Dead's suicide profoundly affected the members of Mayhem and the Norwegian black metal scene. The image of his corpse became a haunting symbol of the violence and despair that permeated the scene. Euronymous's decision to use the photograph as the album cover was seen by some as a tribute, by others as a sensational gesture, and by many as a reflection of the nihilistic worldview that the band espoused.
