New Races and Subraces

One of the standout features of the Player's Guide is the introduction of new races and subraces tailored to fit the grim setting. These options aren't merely cosmetic; they come with unique traits that influence gameplay, role-playing, and character development. Notable Races: - Undead-Inspired Races: Such as the Revenant and Specter, which embody themes of death, rebirth, and haunting. - Corrupted or Cursed Races: Including Darkborn or Blighted variants that reflect exposure to dark magic or tragic pasts. - Fey-Touched Races: Like the Feybound, which add an element of mystical decay or corruption. For example, the Revenant subraces might differ in how they handle resurrection, decay, or spectral abilities. Utility: These options provide players with a rich palette for creating characters that are inherently tied to the setting's themes of mortality, corruption, and moral ambiguity. They also open avenues for unique role-playing opportunities and mechanically interesting builds.

New Backgrounds

Backgrounds in Grim Hollow are expanded to reflect the dark world, offering more than just skill proficiencies—they often come with thematic features that shape a character's story. Examples Include: - Exile: Characters who have been cast out, perhaps haunted by their past. - Cursed: Those burdened with a dark curse that influences their interactions and abilities. - Haunted: Characters marked by ghostly presences or traumatic pasts, often with unique spectral abilities or vulnerabilities.
