Origins of the Ottoman Empire

Historical Background

The roots of the Ottoman Empire trace back to the late 13th century in the region of Anatolia, also known as Asia Minor. During this period, the declining Byzantine Empire and the fragmentation of Seljuk Sultanate created a power vacuum that allowed small Turkish principalities, known as Beyliks, to emerge. Among these, the Ottoman Beylik, founded around 1299 by Osman I, gradually expanded its territory and influence.

Founding of the Ottoman Dynasty

Osman I is considered the founder of the Ottoman dynasty. His leadership laid the groundwork for future expansion through strategic military campaigns and alliances. The name "Ottoman" is derived from Osman's name, which in Arabic is Uthman.
