The Twelve Steps: The Heart of AA Philosophy

The Twelve Steps form the spiritual backbone of AA and are designed to facilitate personal transformation:

1. We admitted we were powerless over alcohol—that our lives had become unmanageable.
2. Came to believe that a Power greater than ourselves could restore us to sanity.
3. Made a decision to turn our will and lives over to the care of God as we understood Him.
4. Made a searching and fearless moral inventory of ourselves.
5. Admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. Were entirely ready to have God remove all these defects of character.
7. Humbly asked Him to remove our shortcomings.
8. Made a list of all persons we had harmed, and became willing to make amends.
9. Made direct amends to such people wherever possible.
10. Continued to take personal inventory and when wrong, promptly admitted it.
11. Sought through prayer and meditation to improve our conscious contact with God.

12. Having had a spiritual awakening, carried the message to others and practiced these principles in all our affairs.

These steps emphasize humility, spiritual growth, accountability, and service—core themes that resonate deeply with many recovering individuals.

The Twelve Traditions: Maintaining Group Unity

Complementing the Steps, the Traditions offer guidance on organizing and maintaining the fellowship:

1. Principles such as anonymity, non-ownership, and self-support help foster trust and unity.
2. Examples include Tradition 5: "Each group has but one primary purpose—to carry its message to the alcoholic who still suffers."
