What Is iCivics and Why Is It Popular?

The Origins and Mission of iCivics

Founded in 2009 by retired Supreme Court Justice Sandra Day O’Connor, iCivics aims to empower students to become active and informed citizens. The platform offers a wide array of free educational resources, including interactive games, lesson plans, quizzes, and simulations designed to teach concepts related to the U.S. government, civics, history, and current events.

The combination of these features makes iCivics a comprehensive platform for civics education, but the desire for answer keys often emerges when students seek to verify their understanding or prepare for tests.
